

COMPATIBILITY CHART v.1020

Yukon / Pulsar Optoelectronic Devices and Batteries

SKU	Battery Packs												Battery Holder			External Power Supplies					Regular batteries							
	#79114 IPS5	#79166 IPS 7	#79169 IPS 7A	#79115 IPS 10	#79168 IPS 14	#79162 APS 2	#79161 APS 3	#79181 APS 5	#79183 TPS 7	#29117 DNV BP	#79117 DNV BP	#29167 DNV Double BP	#79167 DNV Double BP	#79119 BPS 3xAA	#79116 DNV Holder	#29116 DNV Holder	#29110 PB8I	#79110 PB8I	#79111 EPS 3	#79112 EPS 5	#79113 EPS 3I	AAA	AA	CR 123A	CR 2	CR 2032	CR 2354	
Digital Monoculars																												
Ranger																												
Ranger RT																												
Signal																												
Stringer																												
Digital NV Riflescopes																												
Photon (Photon S, Photon-V)																												
Photon XT																												
Photon RT																												
Sightline																												
Night vision monoculars																												
Exelon																												
NV 5x60																												
NV Tracker (PRO, NVS)																												
NVMT / NVMT Spartan																												
Patrol																												
Spirit																												
Night vision binoculars																												
NVB																												
Tracker																												
Viking																												
NV Riflescopes																												
NVRS																												
Sentinel																												
Laser Rangefinders																												
Extend																												
Daylight sights																												
Craft																												
Jaeger																												
Accessories																												
Yukon IR Illuminators																												
NVMT IR Flashlight																												

● - rechargeable recommended
